Its in section 1.5 of th RMP

All mail is being held at the post office.

Mark can talk to ATF to see if they have a better address for Adair Grain.

Subject: Mailing address for west fertilizer

Susan, Mark, and Eric- we are preparing to send out information requests letters under EPCRA and CAA 112r. Misty and Bob need a current mailing address for the company where their mail is being received. Can you help get the address?
